

6/17/2015: This is what we use to shear our mini llamas.

WAHL® Lister STAR Clipper, etc... We have been using the same WAHL® Lister STAR Clipper since 2000-01 without any trouble. Just be sure to read and follow the operating instructions for the clippers, especially the Lubricating and the Blade Adjustment part. *Very Frequent oiling and cleaning them is the key to having a happy set of clippers, blades, miniature llamas (or whatever critters you have) and you!!*
